## M'GRAW OPPOSES SERIES IN SPRING WITH HIGHLANDERS

Leader of Giants Says Team  
Could Not Be in Con-  
dition So Early.

White Frank Chance, manager of the Highlanders, was anxious to have his team play the Giants a series of games in the spring there will be no meeting between them. Manager John McGraw announced to-day that he will not allow his men to play, claiming that no team is capable of getting into its shape to engage in such a hard series in the spring, and besides the plan to start ready at that time to twist their best ball. He declared, however, that in the event of neither club winning the championship next year he would agree to have the Giants play the Highlanders a series of games in the fall.

## First Game of Chicago Series Is Carded Oct. 7

CHICAGO, Sept. 24.—The first game of the series to decide the baseball championship of Chicago will be played on Tuesday, Oct. 7, and the games will alternate until one team has won four games. This will be the seventh meeting of the two clubs. The first meeting went to a tie and never was decided, while the Nationals won two of the other series and the Americans were victorious in three, one of which was a world's championship.

HARTFORD, Conn., Sept. 24.—After playing superior ball for ten innings, Hartford went to pieces in the eleventh round and Lowell barged three runs in that one chapter, getting a lead that the Senators could not overcome in their half. The score was 3 runs to 2. This gives Lowell three wins and Hartford one in the New England series. The teams play in Lowell to-day.

KANSAS CITY, Mo., Sept. 24.—John Kling, catcher for the Cincinnati Baseball Club, returned to Kansas City yesterday and immediately announced his annual retirement from baseball. Kling has been given the balance of the season off by Manager Tinker.

## Jack Johnson Not Matched at All, According to Letter From Al Lippe

Some Interesting Boxing News  
Sent From Paris by Ameri-  
can Manager Now There.

By John Pollock.  
AL LIPPE, the well known manager, who recently took several American boxers to Paris, arriving there safely a week ago, in a letter just received by the writer positively declares that neither Sam Langford, Joe Jeannette, Frank Moran or other heavy-weight, is matched to fight Jack Johnson in France. Lippe's letter follows: Paris, Sept. 18, 1913.

Dear Mr. Pollock:  
Arrived here safely with my string of American fighters, and here is the real up to date news of what is going on here in the little line. In the first place Jack Johnson is not matched with Sam Langford, Frank Moran or any one else in Paris. Langford has signed with Vienne for two matches, and if he wins them will make one more fight. When Langford and Joe Woodman, his manager, come to Paris they will probably bring along Jack Road, the Australian lightweight, and Porky Flynn, the Boston heavyweight. Joe Jeannette is to meet Langford, but the date is not decided on. Vienne will try to induce Johnson to meet the winner.

Fighting Joe Hyland, the American lightweight, meets Darkey Haley, the English lightweight, on Oct. 4, for twenty rounds at the Wonderland Club. This will mark the opening of the boxing season in Paris. "Big" Mackey will meet some good French featherweight on the same night. There will be no more boxing at the Cirque de Paris, as the building has been turned into a theatre. All the big boxing shows in the future will be held at Luna Park. Jeff Smith, the middleweight, of

## ONE OF FAIR HARVARD'S FOOTBALL SQUAD OUT OF GAME FOR THE SEASON.

CAMBRIDGE, Mass., Sept. 24.—The two warring factions in Harvard football, the varsity and the second team, will engage in another encounter this afternoon when an hour's scrimmage between both squads is expected. The regulars will be minus Stan Pennock, whose injured shoulder will set him back two weeks. Gordon, a second teamer, is out of the game for the season. He received a broken collar bone during scrimmage. That Coach Hardwick as a plumping back was evidenced yesterday when the blond headed youth hit the opposing line with a thud, swimming through time and time again for gains. Hardwick managed to steer safely around the ends once or twice, but he could not gain through rushing.

## Football Code Makers Doctor Only One Rule at Meeting Here

Change Gives Players Behind  
Man Making Onside Kick  
Right to Recover Ball.

The Intercollegiate Football Rules Committee and the Central Board of Officials met in Manhattan Hotel last night and heard the official interpretation of the football rules for the season of 1913 as compiled by the Committee on Rules under the direction of Walter Camp, Chairman.

The entire code of rules was discussed and criticized by more than one hundred football coaches, team managers and officials.

The only rule that met with any objection was rule 20 in the official rule book. Under rule 20 an addition was made which will be incorporated in the final version of the rules. It was on the privilege of players in making an onside kick. The addition will read to the effect that those players behind a man making an onside kick have equal right with the men of the opposing team to go after the kicked ball, but are not to interfere with the players on the opposing side in their attempts to catch the ball.

Dr. James A. Habbitt, Chairman of the Central Board of Officials, announced that the list of football officials for the coming season had been made out. He said that the list would be better than during previous seasons. He said communications with the leading colleges on the subject showed that with but few exceptions each college had a list of from twenty to thirty

Cornell Opens Season at Ithaca

To-Day, Ursinus Being the Attraction.

ITHACA, Sept. 24.—Football practice at Cornell consisted of a long and exacting signal practice in preparation for the first game of the year with Ursinus to-day. In the absence of Head Coach Sharpe, who attended a football of Soials' meeting in New York, Dan Reed, line coach, directed the work of the squad. No scrimmaging was attempted for the first time since the third day of the season.

MIDDLETOWN, Conn., Sept. 24.—Coach Hutchinson gave the Wesleyan team a little light practice yesterday in final preparation for the game with Yale to-day. The team will be nearly ten pounds lighter to a man than the one which faced Yale last year. Coach Hutchinson says he does not expect Wesleyan to win from Yale. All he wants is to play a good game and to come out in good shape. The college body will accompany the team to New Haven by special train to root and sing. The probable line-up will be: Nourse, left end; Stead, left tackle; Wilcox, left guard; Morse, center; Gordon, right guard; Hingley, right tackle; Eustis, right end; Ross, quarter; Irving,

A match was clinched to-day between Johnny Howard, the middleweight of Bayonne, N. J., and Al McCoy of Brooklyn. They will battle for ten rounds at the Liberal A. C. of Staten Island on Wednesday evening, Oct. 1. Howard has also been signed up to meet Young Kurts of Newark for ten rounds at the Brown Gymnasium A. A. on Saturday evening, Oct. 4.

Owing to the fact that the St. Nicholas A. C. soon will be turned over to the ice skaters and hockey clubs in the near future, the last boxing show will be held here on Saturday evening, Oct. 11. Matchmaker Jimmy Johnson is trying to bring about a match between Johnny Dundee and Knockout Brown, to be fought there on Oct. 8.

Fighting Joe Hyland, the American lightweight, meets Darkey Haley, the English lightweight, on Oct. 4, for twenty rounds at the Wonderland Club. PRINCETON, N. J., Sept. 24.—The Princeton football candidates were driven through hard scrimmages of three-quarters of an hour. That the Tigers will depend to a marked degree on the drop kicking ability of Capt. Hobe Baker became evident. Hobe tried a number from scrimmage, the majority from the vicinity of the 30-yard mark, though several from past the 30-yard line were attempted. But the only tally came as a result of a forward pass. Doolittle to Hobe Baker, who was downed after a run of twenty yards on the five-yard line, from where Streiff carried it over.
